# Doing More with Less...

## Keeping a Lid on Taxes

Angie has worked tirelessly serving the people of Islip, she is committed to keeping the Town's annual budget under the state tax cap, with the **Town's share representing less than 5% of your total tax bill.**

## Getting Islip's Finances in Order

Angie has gotten Islip's finances in order...direct oversight with monthly budget/revenue projections, increased efficiencies with department consolidations **leading to the highest municipal bond rating, Aaa.**

## Increased Transparency in Islip

Angie implemented the annual Islip Town budget being posted online on the Town's website making it easy to understand documents, **so ordinary citizens know how their tax dollars are being spent.**
